GAF DENIES ATTACK ON COAS AT BAWKU

The attention of the Ghana Armed Forces (GAF) has been drawn to two videos that have gone viral on social media alleging the Chief of the Army Staff (COAS), Major General Lawrence Kwaku Gbetanu has been attacked in Bawku.

GAF wishes to state that the contents of the said videos are false and should be treated with the contempt that they deserve. COAS' operational visit to Bawku on Wednesday, 23 April 2025 was successful and no negative incident was recorded. Efforts are however underway to track the originators of the videos in question to face the law as appropriate.

GAF once again wishes to caution bloggers, content creators and the media at large to be circumspect in their reportage on GAF operations especially in Bawku since any deliberate misinformation and disinformation of the populace have a potential to worsen the security situation in the area.

GAF urges all stakeholders to put their hands on deck to help restore normalcy to Bawku and its environs.
